## MOTION

I hereby request that the court allow me 2 weeks from today to respond to Defendants motion dated 12-28-2015;

On 12-29-2016 I was traveling all day and entered the Netherlands on 12-30-2015 and left the Netherlands on 01-12-2016, see Exhibit A. I was made aware of Defendants motion to dismiss only today and am immediately requesting this extension of time to the court.

I further advise the court that I am getting married and moving to Cuba very soon, my address will be;

Calle 2da #15 interior

Entre Estrada Palma y Central

Mambí, Guanabacoa, Habana, Cuba

Errors and omissions expected. The failure to specify any particular act of misconduct should not be construed as tolerance thereof. The Defendants errors and violations in the related cases have diminished my confidence and trust in the USA judicial system and depleted any trust or confidence in it. Supreme Court precedent instructs federal courts liberally to construe the "inartful pleading" of pro se litigants, because I am a prose litigant I ask that this court liberally construe this inartful pleading.
